# Feedback

## Testimonials

*“Undoubtedly the best world meeting for understanding Carbon Markets.”*

*“All the speakers seemed bang on topic and the attendees were of the right profile and massively engaged. Very little day two drop off, if any. A great sign.”*

*“A conference for Carbon experts, not beginners.”*

*“Focus on concrete solutions, rather than just market descriptions.”*

*“I liked the event organization and quality as well as networking opportunity.”*

*“The organization was flawless, the experience smooth and the food surprisingly nice.”*

*“I found the organisation, agenda, speakers, and networking all excellent.”*

*“It was an excellent event, super well organized.”*

*“Truly liked the conference, very good topics and audience.”*
